Employment Opportunity – Sales & Marketing

Valley Fiber Ltd. is a locally owned and operated technology firm based out of Winkler, MB. The ever-growing need for fast and reliable telecommunications has spurred on innovation. This innovation and its almost limitless potential have been one of the core passions for the Valley Fiber Development Team. In the last 2 years, this team has been working on bringing its next generation conscious fiber optic infrastructure design to the region. Valley Fiber has formed many partnerships with industry-leading developers to create and finalize its innovative design.

We are looking to add to our Sales & Marketing team as we continue to add services to our offerings.

This position might require but is not limited to:

- Working with the growing sales & marketing team
- Selling and Marketing Valley Fiber Internet/TV/Phone services and more
- Inbound sales to start with outbound potential
- Customer Service and Admin-like tasks

Successful candidates must:

- have strong interpersonal skills and solid work ethic
- be willing to put in the "extra mile"
- be energetic, positive, and enjoy a high paced environment
- be excited to learn
- be able to multitask and take on/manage new projects
- be self-motivated but a team-player

The following are not required however are highly sought after in a successful candidate:

- experience and interest in creative marketing
- web design (wordpress) experience and knowledge
- graphic design experience and experience with the Adobe CC
- an IT background and/or strong technical knowledge

We thank all those who apply, however only those selected for further consideration will be contacted.
